All Lake Mohawk Ski Hawks (LMSH) members and volunteers are expected to follow the LMSH Code of Conduct, in addition to the USA Water Ski & Wake Sports Code of Conduct. All members shall maintain high standards of moral and ethical conduct including but not limited to: *Self-control, Responsible behavior and honesty, Consideration for others, Treating people and their property with respect, Physical and emotional well-being, and Good manners in public.* Failure to adhere to the Code of Conduct can result in disciplinary measures set forth by the Disciplinary Board of the Lake Mohawk Ski Hawks.

Safety: LMSH members are expected to train in a safe manner. It is critical that we all act in a safe manner throughout the season. Ensure your safety and the safety of others by using common sense. If participating in any activity that you are uncomfortable with or you feel is above your ability notify the Show Director immediately. If you see something that you think might be a safety hazard or an unnecessary risk, please bring it to the attention of the Show Director or a Trustee.

Safe Sport Policy: Any violation of the USA Water Ski & Wake Sports SafeSport Policy shall be a violation of this Code of Conduct.

Drugs, Alcohol and Tobacco: The use of illegal substances will not be tolerated. Alcohol products and tobacco products will be considered illegal substances if they are possessed and/or consumed by team members who are not of legal age. Any team member who is taking medication that may cause impairment in functioning is required to notify the Show Director prior to participating in any activity.

Dishonesty: Dishonesty will not be tolerated.

Violent and Aggressive Behavior: Violent and/or aggressive behavior will not be tolerated.

Profanity and Abusive Language: The use of profanity and/or abusive language will not be tolerated.

Disruptive Behavior: All members who have joined the LMSH have made a commitment to be better water skiers. Training should be fun, but disruptive behavior will not be tolerated. It is unfair to the Show Director and other members of the team.

Good Sportsmanship: All members of the LMSH are expected to behave as a team. Support of team members through positive reinforcement and encouragement not only encourages individual growth but also is essential to building team cohesiveness.

Punctuality/Preparedness: All members are expected to be on time for training events and to be prepared by bringing the proper equipment. This also includes helping put away equipment at the end of practice.

Effort and Attitude: We recognize that we have members of all abilities and skill levels. We expect all members to show a positive attitude and to give their best-efforts during practice.

LAKE MOHAWK SKI HAWKS DISCIPLINARY POLICY

Disciplinary measures include verbal warning, suspension and expulsion. Generally, a participant will be given a verbal warning first, followed by a written warning, then suspension and finally expulsion. However, if the offense is deemed serious or no effort is made to improve, then any of the disciplinary measures can be invoked at any time. All disciplinary measures will be handled by the Disciplinary Board which is comprised of the Show Director and the Board of Trustees.

The disciplinary measures are explained as follows:

- 1. **Verbal Warning** - The team member and parent (if minor) will be advised of the nature of the offense and what is expected in the future.
- 2. **Written Warning** - The team member and parent (if minor) will receive written notification of the rule violation along with an expectation to correct the behavior.
- 3. **Suspension** - If no effort is put forth to correct behavior after verbal and/or written warning(s), then the team member may be suspended for a period of time. However, if the offense is deemed to be serious enough, suspension may be invoked without prior verbal or written warnings. The team member and parent (if minor) will be informed of the reason for the suspension and the length of the suspension in writing. The team member and parent will be expected, prior to the suspension being lifted, to discuss with the Disciplinary Board, how they will ensure the behavior will not be repeated in the future.
- 4. **Expulsion** - Repeated violations or offenses deemed to be extremely serious will result in permanent expulsion from the team for the remainder of the season. The team member and parent (if minor) will be informed of expulsions verbally and in writing. This will include participating and competing with the team at events. If the team member wishes to return to the team the next season, they and the parents will need to meet with the Disciplinary Board prior to any decision being made. Expulsion will also result in forfeiting any fees paid for the year.

Team members and parents will always have the opportunity to discuss with the Disciplinary Board any disciplinary measures received.

The Lake Mohawk Ski Hawks Trustees and Show Director encourage all members to follow the Code of Conduct at all times, when at LMCC or other venues. Please direct questions, concerns or issues relating to the Code of Conduct to trustees@skihawks.com.

I acknowledge that I have received the Lake Mohawk Ski Hawks Code of Conduct and Disciplinary Policy.
